1.1.1: Institution has a regular in house practice of planning and/or reviewing, revising curriculum and adapting it to local context /situation.

RESPONSE :

Saraswati Shikshak Prashikshan Mahavidyalaya, Sardarshahar is affiliated college by Maharaja Ganga Singh University Bikaner, so it follows a predetermined syllabus prescribed by university. However, at the college level we plan specific curricular and co-curricular activities co-relating with the university syllabus as well as present needs for academic development of pupil teachers. At college level our faculty insures near perfect Implementation of curricular aspects systematically. Our faculty members are well qualified and well trained as well as technologically enabled and along with this rich infrastructure and library make it possible for students to easily involve themselves in teaching learning process. For effective implementation of curricular aspects, we adopt some measures like-classroom teaching, use of ICT, Field work, Projects, Quiz competition etc. and for regular assessment of students, class test, assignments and discussion sessions are organized. To address the cross-cutting issues on gender, environment, human values and professional ethics, the college conducts several co-curricular activities like Spiritual speeches, Plays, Poster making competition and Plantation program. A feedback methodology is also adopted by college from stakeholders like students, parents, alumni and teachers to know about curricular and co-curricular activities, infrastructure facilities and administration.

Organization of workshop, seminars and conferences by the college is also the part of planning. For this, experts in the field of Education are invited from different colleges. Presentation of papers and participation in seminars, conferences and workshops by the faculty is a regular practice of the college in this context.

As we know that an effective curriculum as well as its efficient delivery is integral to education and is best suited to enable individuals to live human and productive lives as responsible citizens of the society.
