1.3.3: Students derive professionally relevant understandings and consolidate these into professional acumen from the wide range of curricular experiences provided during Teacher Education Programme.

RESPONSE :

The Institute strives to enable students to develop an understanding of the interrelationship of various learning activities, thereby developing in the students a professionally relevant understanding that enables them to consolidate into professional skills from the range of curricular experiences provided during the programme. The Wildlife Conservation Week, which had the theme "Forests and Livelihoods: Sustaining the Planet's People", took place under the following activities.

1. Essay writing competition in Hindi and in English
2. Slogan writing competition both in Hindi and English
3. quiz competition
4. Poster Contest
5. Exhibition Contest
6. Debates Contest

The winners of the various activities were awarded with the e-certificates.

To make students aware of values inherent in yoga, health and well-being, arts and aesthetics for their personal growth, the institution organized a workshop and seminar.

The college has organised seminars and workshops from time to time, which gives students the opportunity to participate in them, which gives them the knowledge about what is happening in the society today and the upcoming challenges. The college always takes up such subjects which are very important

from the social point of view. The college keeps organising seminars and workshops on such subjects.

The college organised a two-day national seminar on 21-22 June, the subject of which was online education, in which information was given about its utility and its challenges.

The seminar was successfully conducted by the college, in which the college invited nearby cooperative colleges, far-off colleges and universities for the seminar, from where many educationists participated and gave their views. Along with this, the college also organized a state-level seminar which was held on 08 August 2023, the topic of which was New Education Policy 2020, which was about the Shikha policy of today's time. Along with the seminar, the college has also been organizing workshops in which information has been given about gender equality, career counselling and guidance, women cell etc.
