## Feedback Policy

### Introduction

The Institute ensures to provide the best curriculum through the combined feedback collected from all its stakeholders. The stakeholders are Students, Faculty members, Alumni and Employers. The feedback is collected at the end of each semester through online/offline mode. The collected feedbacks are analysed and corrective actions are taken.

### Feedback Mechanism

The feedback obtained periodically from different stakeholders is very helpful in improving academics and encourage students and teachers' performance. Feedback links are shared with all stakeholders via our institution website for collecting the feedback and a specific timeline has been allotted for the process. The feedbacks are taken into consideration and the corrective actions are made by the committee under IQAC including Principal and Hods. If necessary, these are forwarded to the management, for further actions.
