2.2.1: Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students.

RESPONSE :

SSPM College begins its assessment process as soon as the student teacher comes in for admission. There is a pre- and well-structured plan to identify the learner's readiness to undergo a professional education program. **SSPM College** caters to their diverse needs and also academic support provided to them through a Diagnostic and Remedial procedure.

During the admission, the incoming students are allotted by the Government of Rajasthan through the PTET examination followed by the nodal agency. nodal agency is changed from time to time by Rajasthan government. Rajasthan Government makes any government university of the state a nodal agency. However, when the students come in for admission, the admission committee checks the necessary documents, verifies them with the original.

Face-to-Face Interaction:

Face-to-Face interactions with students are crucial in understanding their individual backgrounds, motivations, and expectations. These interactions provide the faculty insights into the students' communication skills, interpersonal abilities, and their commitment to pursuing a career in education. It also offers an opportunity to address any concerns or queries they may have regarding the program.

Content Test:

This test evaluates the foundational knowledge and subject-specific skills of students. It helps in identifying areas where students may have knowledge gaps or

require additional support. The results of these tests serve as a baseline to tailor the academic support provided to each student.

Induction Program:

It serves as an orientation for students, introducing them to the institution, its culture, and its academic expectations. During the induction program, students are made aware of the various academic support services available to them, such as libraries, mentoring services etc This program helps students acclimatize to the academic environment, fostering a sense of belonging and reducing anxiety.

Mentor-Mentee:

Faculty actively engages with student teachers' needs and challenges, adopting an accommodating approach to understanding individual learning. Regular mentor-mentee meetings as a center for fostering understanding, where discussions encompass academic progress, personal goals, and challenges faced by each resilient mentee.

Personality development orientation:

Orientation is given at the entry level since they used to be shaped as future teachers. **SSPM College** commences such training and orientation from day one so that there is holistic development of teachers.

Value-added course:

Some separate programs are being run by the college for the students so that the students can be given a certificate of new subject along with separate knowledge, for which the college conducts English Sparking and Computer Based Diploma, any interested student can participate in it, along with this, the college has started PMKVY course.

Classroom Discussion and Participation:

To foster critical thinking and communication skills, students are encouraged to actively participate in class discussions. Students participate in more in-depth

discussions, debates, and group projects with the course material. This collaborative learning atmosphere is fostered and comprehension is improved by the use of participatory technique along with confidence building.

Student Committee Participation :

Getting students involved in a variety of committees is essential to their growth at SSPM College. Participating in committees such as the Academic Council, Cultural Committee, and Sports Committee gives students the chance to lead, participate in decision-making, and plan activities. Participation in this activity fosters responsibility, teamwork, and organizational abilities, setting them up for both personal and professional success.

Seminar & Workshop :

The college organizes workshops & seminars from time to time for research work for the students.
