The institution adopts varieties of mechanisms to honor students' diversities.

The following activities are devoted to attain such objective:

1. Mentoring :- Mentoring is an integral part of the institutional functioning. Students are greatly benefited from such activity. Students both in the early and later stages of academic programs require timely advises in all aspects of their life. To meet this objective the institution provides a confidential space to freely discuss the problems and issues with the mentors.

## Objectives

- To hone the interpersonal and leadership abilities
- To reflect their own performance
- To use their knowledge and skills to excel
- To overcome personal deficiencies

## Strategy

The mentor mentee allotment will be done immediately after the beginning of the course. This allotment is based on the ratio of students and teachers. Later on, the teachers build cordial relationship with mentees, making them believing that they have a genuine desire to support the mentee.

## Activities

- By actively listening
- By sharing experience
- By assisting and offering advice and guidance
- By encouraging reflection

## Outcome

The mentees are able to identify the areas for development and improves their self-confidence.

2. Peer Feedback/Tutoring :- This program is intended to support students in the learning process. The institution adopts this as a continuous practice throughout the year. One of the beneficial aspects of this program is it caters diverse student needs.

## Objective of the program

- To foster classroom discussions
- To develop study skills
- To learn evaluative work
- To resolve learning deficiencies
- To encourage independent learning

## Strategy

Students are given opportunities to practice and perform peer tutoring whenever the situation arises.

## Activities

Peer feedback and tutoring will be effectively utilized in the following activities in the program.

- Discussions
- Lesson planning
- Micro teaching
- Demonstration lessons

## Outcome
