NOTICE COMPUTER CLASSES

SESSION 2022-23

All students are informed that your computer classes are going to start in which all have to participate. Your computer classes will be held for 3 days in a week which will be from Monday to Wednesday. Your class timing will be held after the last class of the college whose time will be 1 hour basis. After the class, all of you have to take your turn in the computer lab. For any kind of problem, you can contact your computer teacher.
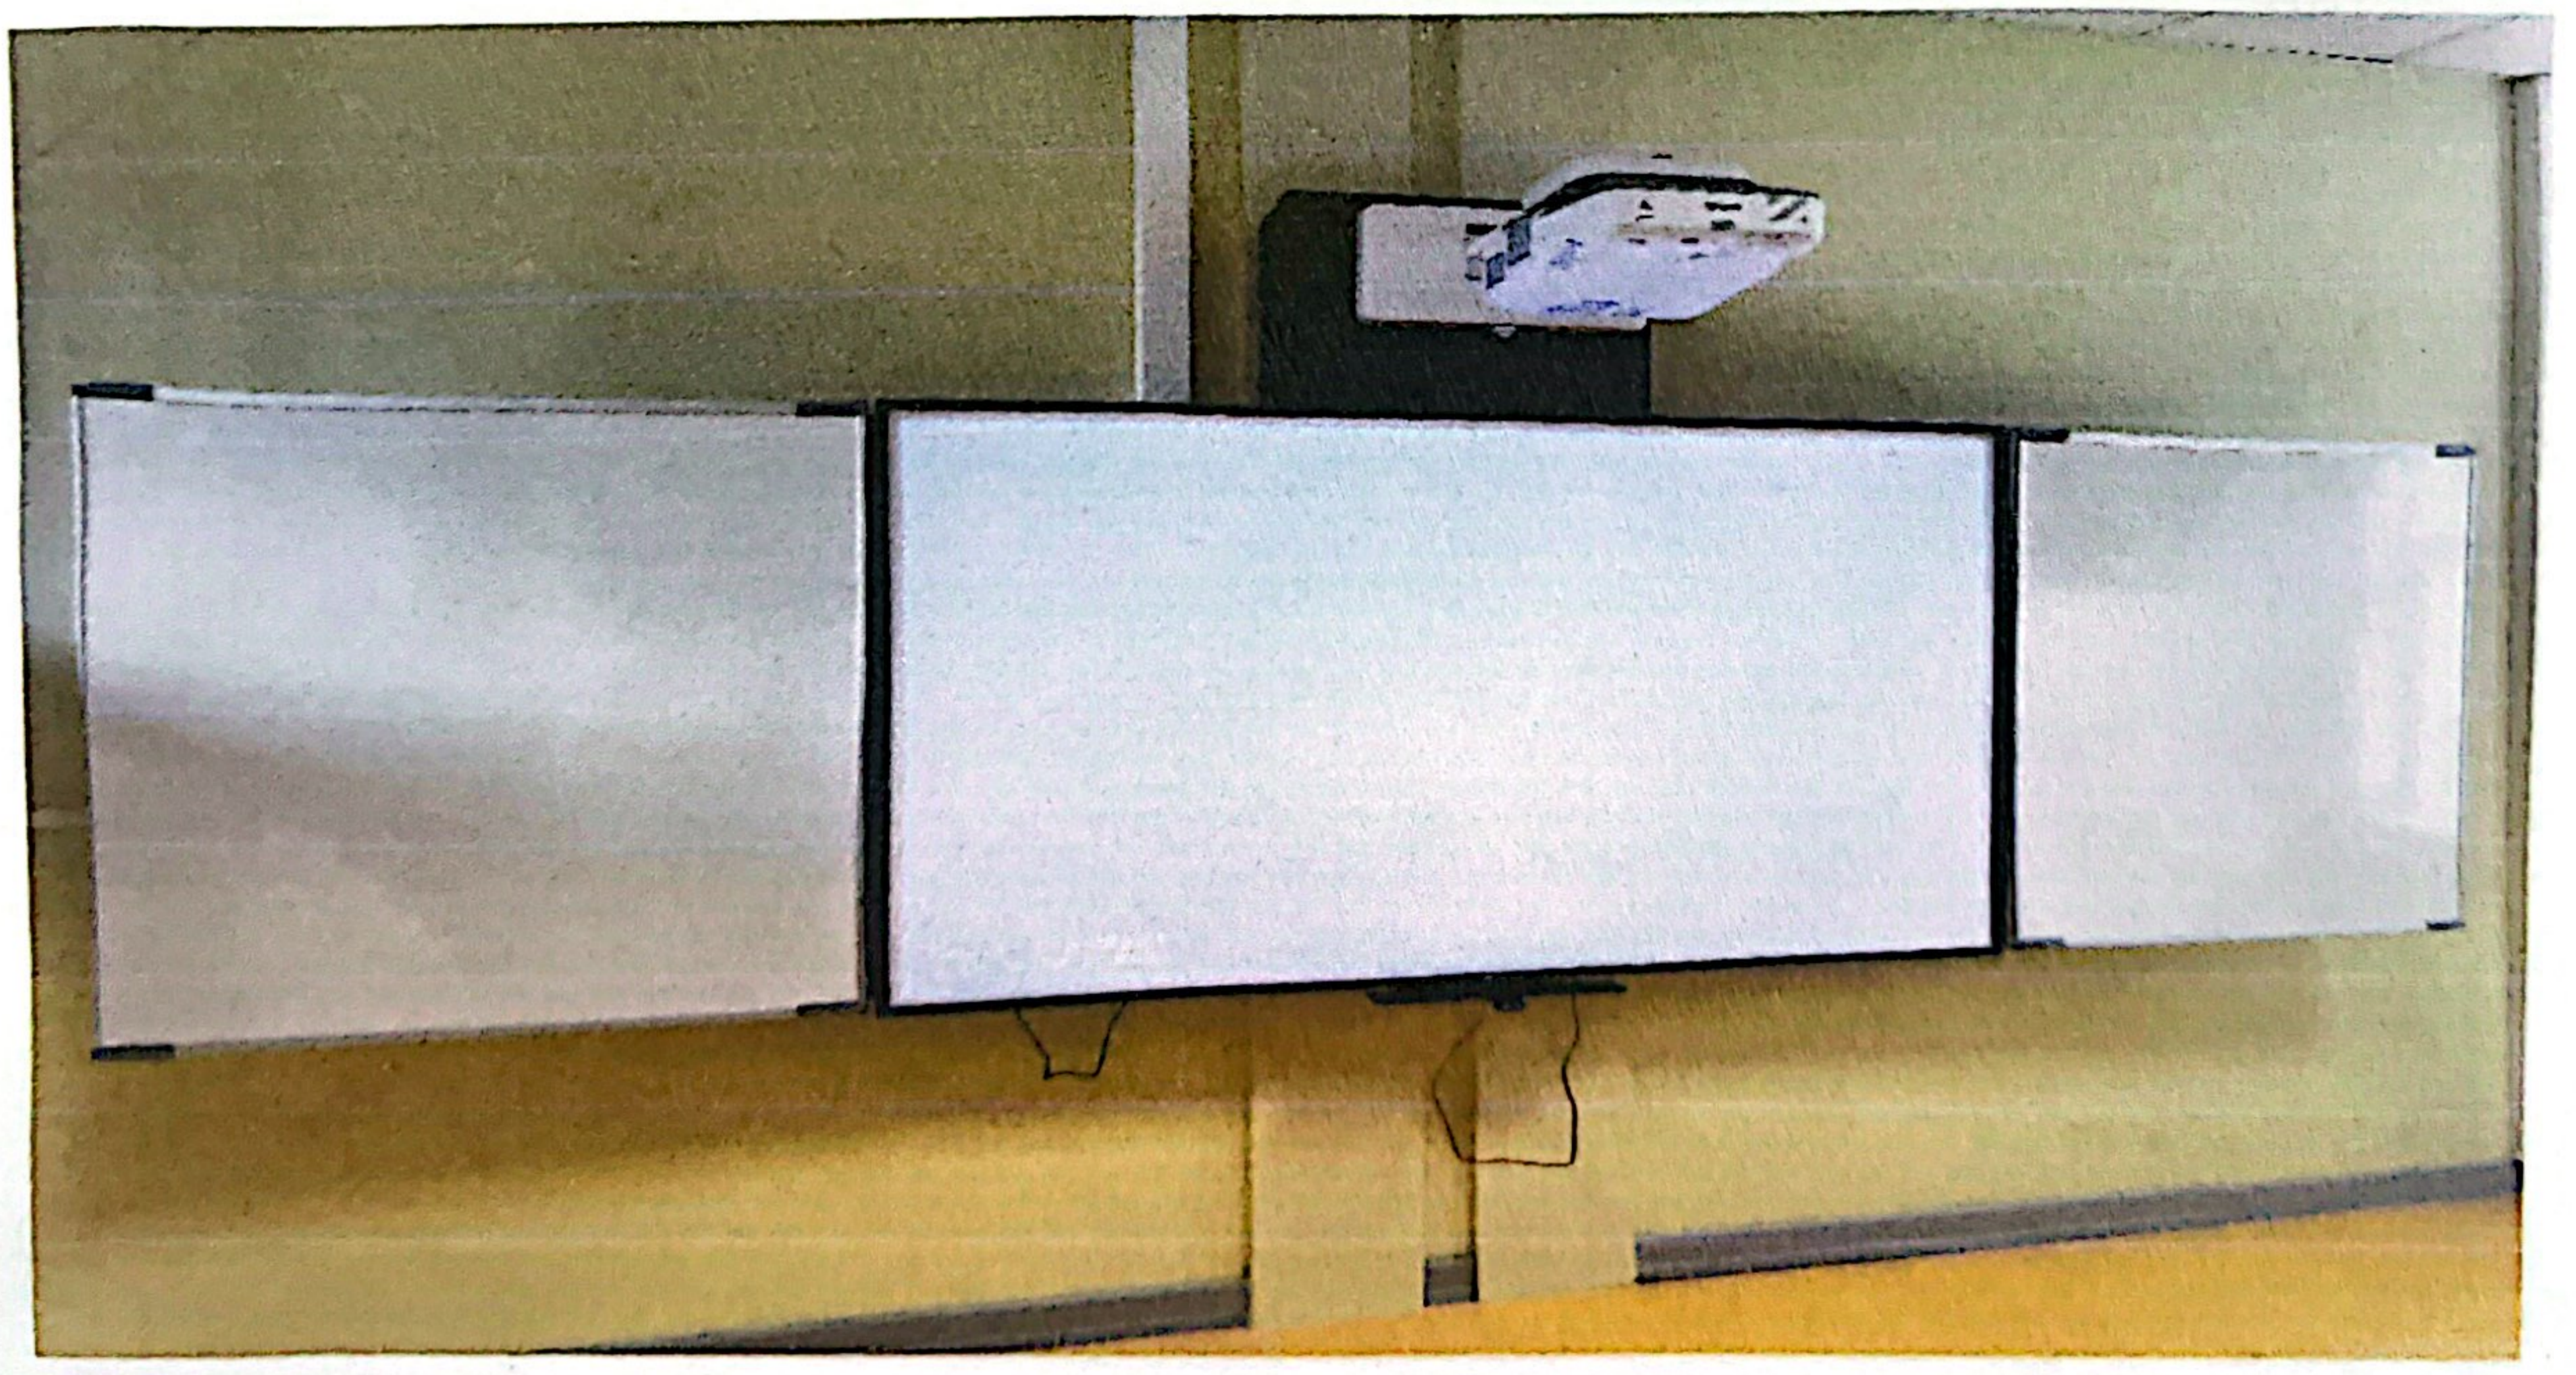

All students should not waste unnecessary time in the computer lab. They should not do any kind of vandalism or unnecessary work on the computer.

If any student is found doing unnecessary activities, the college will take strict action against him for which the student himself will be responsible.
